

## *Don't Piss On Me And Tell Me It's Raining*

Organized by Bad at Sports  
April 7 - May 22, 2010

Opening reception: April 7, 6-8 pm

For the last five years Bad at Sports, a collective based in Chicago, New York, and San Francisco, has attempted to document their art world from the inside. The artists in the collective have logged close to 300 hours of audio interviews and (what might best be described as) reportage, and produced thousands of blog posts and tweets for their site, [badatsports.com](http://badatsports.com). For their exhibition at apexart, they have assembled a curio cabinet/archive of projects from members of the Bad at Sports galaxy and will give visitors the opportunity to have their questions about the art world answered by the Bad at Sports team.
