UNJUSTIFIED:

"I tell you, there is no reason for it! Grant it, the struggle to capture and hold an audience's attention is difficult enough...going about it this way seems, well, I don't know..." "Maybe it is its own excuse." "Everything has been carefully considered and constructed, right." "A good bit of it is quite personal." "Political too." "None of this work is hermetic though." "Perhaps it will appeal to..." "Maybe we've said too much." "We'll have to wait and see." "I'm ready." "Come on, y'all, lets do this!"
